Treasurer's Report:	Balance on hand, Feb. 1, 2026	$85,200.77
	February Receipts	$732,959.68
	February Disbursements	$748,636.55
	Book balance as of Feb. 28, 2026	$69,523.90

Motion to approve Treasurer's Report as mailed was made by M. Schutz, 2nd by N. Schaff. Approved.

Motion to approve Vouchers and Checks was made by K. Hackbarth, 2nd by M. Schutz. Approved.

Maintenance Report: Truck was back at Universal for air leaks, the tech got the airlines switched. Kevin had issues coming back with it, he called the guy and he has come out to fix it and needs another part which was ordered and he'll be back to install that.
Hopefully next week he'll be able to call the guy with the mower and get something set up.

Chairman Report: Reached out to Mark Servi on the LRIP program. He sent Karl some things on bridges that the board went over and will keep in mind when they do road inspection.

Road Inspection is tentatively set for April 10th, meeting at the town shop at 8am.

Supervisors Report: A question was asked about why the referendum question wasn't on the sample ballot on WIVote? Clerk does not have anything to do with this website, it is definitely on the ballot.

Thanks to Nick for reaching out the WI Surplus Auction and getting the dump truck on there. It is on the site for 2 weeks, at the end of the 2 weeks, they reach out and ask if we want to accept the current offer, wait and run it for another 2 weeks, or decline the offer altogether.

Clerk-Treasurer Report: None

Building Permits: Ryan Mallery-final passed; Kelly Scribner-final passed; Ashlin Malean-waiting for final; Thomas Polen-rough inspections passed

Committee Reports: Fire Report-the fire district would like to pass an ordinance that would allow them to do inspections annually instead of biannually. Each municipality would need to "sign off".

Karl questioned whether or not the NFPA code requires biannually? We would like to check with them before signing anything. Nick will check into this, signing the ordinance will be tabled for now.

Officers are the same. Josh Pittman is officially the chief. Nick asked at the fire meeting how much they ended the year with in the checking account. It is currently at the auditors, when they receive the figures back they will let us know. Some discussion on the budget and how monies are being spent, it shouldn't all go into a "slush fund," it should be allocated for something.

Ambulance Report-District meeting was March 11th, they are in the process of updating the bylaws. They went into closed session; no actions were taken in closed session.

No New Business

Public Comment: Stephanie was letting us know she is running for County Board Supervisor for District 9. Something she would like to pursue if getting this position is getting railroad lights at County Rd. K

Motion to adjourn meeting was made by K. Hackbarth, 2nd by N. Schaff. Approved.

Meeting adjourned at 7:05pm
